To: Detachment Commandant  
From: President, Marine of the Year Society  
Subj: Department of Washington Marine of the Year 2019 Selection

Dear Commandant,

The time for selecting your Detachment Marines of the Year will arrive very soon and each of our Detachments has their own process by which they make these selections.

At the Department Spring Staff Meeting, the Department Marine of the Year Society will select this year's recipient(s). The selection is based on nominations from the Detachments. Each Detachment may, by vote of its members, nominate **Regular** members of their Detachment for the Department Marine of the Year. At the very least, the Detachment Marine of the Year should be considered for this nomination. There is no limit on the number of qualified nominees.

Attached: Enclosure Two of the Department Bylaws, which adjudicates the process and means by which you need to submit your nominations; the Department Nomination Forms. **No other format or Detachment forms will be accepted.** We have had to reject nominations in the past for this error. We **do not** need cover letters. Please only use the Nomination Forms. If you feel the need to provide any documentation on your nominee(s), please attach them behind the Department forms.

If you have any questions, please do not hesitate to contact me, if I don't have the answer I will find one for you. Send Forms per MOY protocol to:
